

Tally Sheet

Reduce Reuse Recycle

Reduce	Reuse	Recycle

Instructions:

1. Place Tallies ^{NW} in the space above each time you Reduce, Reuse or Recycle
2. When you reach your "First 100", send an email to Kids for Our Earth at biz104@mac.com, and let us know so we can add your tallies to the total
3. Continue until your "Second 100" and repeat
4. Watch our numbers grow at <http://www.kidsforourearth.org/watchitgrow.html>

Examples:

- Turning off lights when you leave a room (Reduce)
- Not letting water run when you brush your teeth (Reduce)
- Recycling cans, bottles, cardboard, paper (Recycle)
- Using backs of paper for notes, photocopies, etc. (Reuse)

Brainstorm other ways to Reduce, Reuse, Recycle with your family or class!
